

I am aware that riding horses, and being near them are hazardous activities and I am voluntarily participating and/or letting my child/children participate in these activities with knowledge of the danger involved and hereby agree to accept any and all risks of injury. I am aware that riders may fall off and that horses can and do throw riders, as well as kick and bite. I understand that horses may spook with a resulting kick, bite, bolt, or buck. I further understand that horses are flight animals and that fear of other horses passing, ATV's, RV's, crop dusters, tractors, other vehicle, loading and unloading in a trailer, etc. can cause a horse to react and cause injury. I am also aware that any of my children that are in attendance as a spectator or rider and myself are also at risk due to the very nature and unpredictability of horses. Horses can also be injured at such events, and I understand and assume full responsibility of the horses' health. I have carefully read this agreement and fully understand its contents. I am also aware that this is a RELEASE OF LIABILITY, INCLUDING ASSERTED NEGLIGENCE, and it is a contract between Sydney Radford with Tiny Trotters Pony Parties and myself.
